PROJECT SCHEDULE

Below is a proposed schedule for the Chetwynd Library project based on the information in the RFP. Because no specific deadlines were given, Field Lievers Architecture Ltd. has based this proposed schedule on easily achievable work periods based on our experience. If there are any approval dates or deadline dates that PRRD needs to achieve, the team presented to you here is completely open to modifying and expediting as required. We have the available resources to meet any schedule that PRRD needs to meet. We want sufficient time in the schedule to thoroughly complete each task and so have put this together as a starting point for discussion with the team.
