

PEACE RIVER REGIONAL DISTRICT

Solid Waste Committee

Diary Items

FUTURE OF SOLID WASTE		Follow-up Action / Status
1.	alternatives/solutions for continued development of waste reduction projects in the region taking into consideration challenges with distances to markets, agricultural plastics (include Oil and Gas industry), service variables between low and high density population areas. September 28, 2018	Ag-Plastics diversion opportunity – held discussion with CleanFarms regarding Noralta Farms process (Farkash). Meeting to be scheduled with Noralta Farms, will report back to on outcomes.
GROUND BIRCH TRANSFER STATION		
2.	that the status of a proposed property (located on 271 Road, north of the current unmanned waste site near the Groundbirch store) be monitored every four months, for siting a manned transfer station and that any changes in said property's status be reported back to the Committee. August 2, 2018	March 25, 2021 - RB authorized submission of an application to purchase 8225-271 Road (PID 012-260-509) "as is" from the Province, through a Sponsored Crown Grant, for the purpose of expanding and upgrading the existing transfer station – submission of application pending.
FOLLOW-UP REPORTS		
3.	<ul style="list-style-type: none"> ● R3 Recycle It – invite to fall meeting ● MARR (Large Appliance Recycling) ● C&D strategy June 6, 2019 	<ul style="list-style-type: none"> ● provide update on contamination levels ● Staff to report back on outcomes of MARR and program in the fall. ● To be developed as per draft SWMP (Strategy 6: Increasing diversion of C&D waste via education, tip fees and feasibility of recycling additional C&D materials)
DECOMMISSIONED LANDFILLS		
4.	Upon completion of the decommissioning of the bulky waste pits at Rose Prairie and Cecil Lake, that staff conduct a review of the two sites to determine if the properties would be suitable for subdivision and subsequent sale to market if the properties are deemed no longer required for Regional District operations. June 4, 2020	Bulky pit project to be completed summer 2021, review of options for subdivision is ongoing.
KPMG Audit		
5.	That the topic of a pilot project to implement 24/7 access to selected transfer stations be diarized. April 1, 2021	Update scheduled for June 3, 2021 SWC meeting
