Subject: Say Yes to Access - June 5th Access Awareness Day

Hello Community

Saturday June 5, 2021 is Access Awareness Day – A day for communities to come together to celebrate what it means to be truly accessible and inclusive for everyone!

Access Awareness Day falls within *National AccessAbility Week* which is always celebrated in the last week in May and is designed to draw attention to the talents and contributions that people living with disabilities make in their communities every day!

This year, the theme for Access Awareness Day is “**Say Yes to Access**”. As part of this year’s celebrations, our focus is on the different ways that people and communities across B.C. can come together to build true inclusion. To help support local efforts, small grants of **\$500** are available to help celebrate the different ways that communities have been successful in promoting greater inclusion.

We will be happy to share more information, please do not hesitate to reach us at info@sparc.bc.ca with the subject line - **Say Yes to Access**.

- If you would like to **host an event**
- If you would like to **share information** about the different ways that your community has been successful in coming together to promote greater accessibility.
- If you have **ideas** about ways to promote greater accessibility
- If you wish to explore *potential opportunities* for **partnership**

By working together, it is possible to create communities where everyone can share their talents and abilities in real and meaningful ways and where the possibilities are limitless. We know the difference that we can together make when we **Say, Yes to Access**.

Thank you for the role that you play every day in making this vision a reality!
