Dawson Creek, BC V1G 4H8

Dear Chair Sperling,

On behalf of the Fort St John Public Library Association, I wish to extend my sincere gratitude to you and the Peace River Regional District (PRRD) Board for supporting the library with this year's grant of \$125,000 in addition to the \$10,000 contribution you had generously donated to our CLICK Creating Literacy in Computer Knowledge program.

As you know, this grant money will be used to help our general operating expenses that allow us to continue to provide a variety of information, programming, and support for lifelong learning to our community.

We thank you again for your support of the FSJPL, and we wish PRRD all the best moving forward.

Sincerely,

Matthew Rankin

Director of Library Services
