

# REPORT

To: Electoral Area Directors Committee

Report Number: ADM-EADC-006

From: Crystal Brown, Electoral Area Manager

Date: May 15, 2020

**Subject: Area B Water – Rose Prairie Water Station Deferred Motion from April 16, 2020**

---

## **RECOMMENDATION #1:**

That the Electoral Area Directors Committee now vote on the deferred motion below:

MOVED by Director Goodings, SECONDED by Director Sperling,

That the Electoral Area Directors Committee authorize conducting a four-six week Granular Activated Carbon (GAC) pilot study at the current Rose Prairie Tankloader location, to determine if the proposed treatment will meet Northern Health water quality parameters as required for public consumption.

## **BACKGROUND/RATIONALE:**

On April 16, 2020, the Electoral Area Directors Committee passed the following resolution:

*“That the Electoral Area Directors Committee defer consideration of the following recommendation until staff provide additional information on treatment issues:*

*That the Electoral Area Directors Committee authorize conducting a four-six week Granular Activated Carbon (GAC) pilot study at the current Rose Prairie Tankloader location, to determine if the proposed treatment will meet Northern Health water quality parameters as required for public consumption.”*

Urban Systems is scheduled as a delegation to the May 21, 2020 Electoral Area Directors Committee to provide the Directors with pertinent information regarding the proposed GAC pilot study for the Rose Prairie water station. Once that information has been received and discussed, the Committee will be able to either approve or defeat the deferred motion suggesting a GAC pilot.

## **ALTERNATIVE OPTIONS:**

1. That the Electoral Area Directors Committee provide further direction.

## **STRATEGIC PLAN RELEVANCE:**

☒ Not Applicable to Strategic Plan.

## **FINANCIAL CONSIDERATION(S):**

None at this time.

## **COMMUNICATIONS CONSIDERATION(S):**

Staff Initials: *CB*

Dept. Head:

CAO: *Shawn Dahlen*
