6. BUSINESS ARISING FROM THE MINUTES:

- Ms. Kjos has asked that a bulletin from 10.1 on the June 5, 2020 minutes (the annual road evaluation was approved) to be moved down to the bottom of the bulletins for the June priorities, and asked that Stoddart and Lower/North Cache Creek be added.
- Ms. Kjos got the Regional District numbers in from the Lobbyist registration, but unfortunately missed the first reporting deadline due to not receiving information in a timely manner. The contact with the Ministry was in preparation for the meeting next week.
- When Ms. Kjos talked with Rena (MOTI), Rena was not confident that the road bans would be lifted, and that the earliest they would likely be lifted is June 22nd.
- Ms. Kjos will be talking with the Task Force next week, and will be recommending that they spend a sufficient amount of time discussing what their priorities need to be.
- Ms. Kjos read a presentation to the Finance Committee. One of the MLAs posed a couple of questions for Ms. Kjos which allowed her to elaborate a bit more on her presentation. The written submission is due next Friday (June 26). The written submission would consist of submitting the text of the presentation along with some illustrative photos. Director Fraser suggested that a written submission with pictures would be very beneficial.

MOVED by Director Fraser, SECONDED by Director Heiberg, That the North Peace Rural Roads Committee approve Ms. Kjos to complete a written submission for the Finance Committee.
