

To Chair Hiebert and the Directors of the Peace River Regional District,

I write to request your support in recognizing the South Peace Art Society as a regional service provider in the South Peace. As you may know, the Society has been providing valuable artistic programming and services to the region for many years now, and we believe that recognition of this from the Regional District through a letter of support would enhance our ability to continue to serve the region.

The South Peace Art Society offers a variety of programs and activities that promote artistic expression, skill development, and community engagement. We partner with our members and local artists to provide workshops, classes, and events that are accessible to people of all ages and backgrounds, and we are committed to fostering a vibrant and inclusive artistic community in the Peace River Regional District. Our mission is joined at the hip with helping residents love where they live, and giving visitors an insight into the great parts of the Peace.

In order to continue to offer these programs and services, we rely in part on funding from various sources, including BC Gaming funding. As we prepare to submit our 2023 application, we are seeking letters of support from community stakeholders and leaders, including the Peace River Regional District.

We believe that recognition as a regional service provider by the Peace River Regional District would demonstrate the important role that the Society plays in the cultural and social fabric of our region. It would also signal to potential funders and partners that the Society is a trusted and valued community organization with a proven track record of delivering high-quality artistic programming.

We respectfully request that the Peace River Regional District consider issuing a letter of support for the South Peace Art Society as a regional service provider, to be included in our 2023 BC Gaming Grant application.

Thank you for your time and consideration, and please do not hesitate to contact us if you have any questions or require additional information.

Thank you for everything you do,

*Duncan Malkinson*
