Dear Mr. Hiebert,

The Executive of the Tomslake and District Recreation Commission request an extension of the Agreement between the Recreation Commission and the Regional District regarding the funding for the Tate Creek Community Center until October 31, 2023. This will allow us time to discuss and agree upon any changes we might want to make in the Agreement.

Thank you for your consideration of this matter.

Sincerely,

Art Seidl
President of the Tomslake and District Recreation Commission
