Please note the narrative noted in the Oct 20, 2023 report in regards to the following:

Please note that the “Total Approved & Processed since last Annual Report” (\$42 000) reflects Spring 2023 awards that had not yet been processed at the time of the last report, in addition to a large portion of the \$37 000 awarded in the Fall dispersal, with \$7000 yet to be processed at the time of this report. Taking into consideration the remaining balance of unspent funds totaling \$47 000 at the time of this report, Northern Health would ask the PRRD Scholarship Committee to consider the following proposals.

I hope this provides the clarify you require.
 Cheers!
