Subject: PRRD Health Care Scholarship

Good morning, Shawn and Roxanne.

Below are thank you notes from some of the recipients of the PRRD Health Care Scholarship.

On behalf of the NLC Foundation, the college, and our students, thank you for your continued support!

Dear, Scholarship Dmsr,

I am writing to express my heartfelt gratitude for awarding me the PRRD Scholarship. Your generous support had a good impact on my journey as Health Care Assistant (HCA) student. I'm deeply honoured to be a recipient of this award.

Your generosity inspires me to give back to the community in meaningful ways. I look forward to providing the same level of support and encouragement to others as you have given to me.

Thank you again for incredible generosity and for believing in potential of future health care professionals like me. I'm forever grateful.

To whom it may concern.

I'm writing to say a big thank you for your help and support. The opportunity to study with a salary is so awesome. I can't afford to study at my own expense especially for me being a single mother.

I wish you all more programs that can help people like me and more power to all the staff and the foundation.

Respectfully yours,

Judith Castillo
