To the Chair and Board of Directors, Peace River Regional District:

The Whiskey Jack Nordic Ski Club has been working diligently over the past decade to bring the trails at Beaton Provincial Park to a higher standard. We now rival some of the larger cross country ski operations in the province in terms of trails and facilities, albeit on a much smaller scale.

The day lodge has become a focal point for our club and the community. With an increase in our event hosting capacity and demand for renting the lodge, we are seeing larger groups of people on site at any one time. The single accessible outhouse we built 5 years ago is needing a companion of a second accessible outhouse to meet demand.

We are applying for various grants to fund this project, and will be submitting an application to the last intake of the BC Hydro GO Fund which requires a letter of support from the Peace River Regional District, with the wording: "THAT, the Peace River Regional District supports the application to Northern Development Initiative Trust from the Whiskey Jack Nordic Ski Club for a grant of up to \$10,000 from the BC Hydro GO Fund."

Thank you for your past and ongoing support of our ski club's activities and initiatives.

Regards,

Eliza Stanford
President, Whiskey Jack Nordic Ski Club
