**Subject:** RE: Overhead Lighting - Baldonnel overpass in the FSJ between MP 724 and 725

**CAUTION:** This email originated from outside of the organization.

Hi Crystal, I was speaking to our Public Works team and they asked if Peace River Regional District was the road authority or if BC Ministry of Transportation Infrastructure was. The road authority would be responsible for the application / request for lighting. If it is BC MOTI, you can put your ask to them and from what I understand they would work with CN to review and decide. I believe the road authority is responsible for costs.

Afternoon Crystal, hope you are staying healthy and safe. I have inquired with our local track supervisor and Public Works manager. I will get back to you when I hear from them

Tyler,

Director Goodings has brought up a concern at the Baldonnel overpass in the FSJ. The corner is quite dark and she has received complaints about it. The Board is wondering what the process for installing overhead lighting would be.
