NDIT is Recreation Infrastructure. Amount is 300K and yes, the request for service is within the PRRD.

I hope that answers your questions 😊

Dear Chair and Board,

I hope this email finds you well.

I am writing on behalf of Lake Point Golf and Country Club to request a letter of support from the Peace River Regional District for our upcoming grant application to Northern Development. We are applying for funding to install a new irrigation system in 2025, which will significantly improve the sustainability and operational efficiency of our golf course.

Thank you in advance for your time and consideration. If you require any further information, please don't hesitate to reach out. We greatly appreciate the PRRD's ongoing support and look forward to your assistance with this important initiative.

Best regards,
