Dear Bryna:

Re: Request to Install New Gate at Kelly Lake Community Centre

As previously advised, the community of Kelly Lake wishes to replace the broken gate at the Community Centre. The replacement gate has been donated by an industry partner and is ready for installation. Attached please find a photo of the gate as well as the manufacture specifications.

The timeline will be as soon as we receive approval. The installation of the gate will be taking place immediately.

If you should have any questions or concerns, please do not hesitate to contact me.

Thank you.

Sincerely,

Tania Horseman
