

PEACE RIVER REGIONAL DISTRICT

Memorandum

TO: Leonard Hiebert, Director of Electoral Area D
FROM: Jack Peckham, South Peace Land Use Planner
DATE: November 10, 2020
RE: **PRRD File No. 20-006-ALREx- Application for Exclusion from the ALR**

Pursuant to the following resolution:

RD/15/04/26 (23)

That a two-week period be added to the development application review process to allow time for the appropriate Electoral Area Director to review applications prior to them going to the Regional Board for consideration.

The application and report are provided for your review.

Please find attached a copy of the ALR Exclusion application concerning Doreen Shadow.

Hello,

I support the exclusion application as this property has not been used for agriculture based on the topography of the area. The property has not been used for agriculture for a long time, including the previous owners. I appreciate that they are looking at keeping the 6+ ha in the ALC and develop it to compliment agriculture in some way.
