

Received DC Office March 17, 2020

. CHAIR AND BOARD OF THE P.R.R.D. March 5. 2020

I have a number of questions:

One who initiated this proposed expansion ?

Two who will be billed for the proposed expansion ?

Three. what is the cost per call out ?

Four. what will the cost per house hold be?

Five. Why was it necessary to call F. S.J. Firefighters to fight a holiday trailer fire approx. 400 meters from the Charlie Lake fire department?

Six. I understand the Charlie Lake fire department calls F.S.J. to help fight fires in Charlie Lake

Seven. If so who pays for the call outs F.S.J to Charlie Lake and call outs from Charlie Lake to F.S.J ?

If they don't have the ability to fight the fires in our area now, why expand ?
