On behalf of the District of Taylor, I would like to take this opportunity to acknowledge the dedicated members of the Charlie Lake Fire Department for their continued unwavering support of the District of Taylor and the Taylor Fire Rescue Department during events that effect our community and surrounding area.

The event that took place on December 13, 2020, South of Taylor, required the response and support of many dedicated public servants from select areas across the Peace River Region. The efforts put forth by our Mutual Aid partners, including the Charlie Lake Fire Department, does not go unrecognized. I want to sincerely thank you and the members of your Fire Department for their assistance.

The District of Taylor is proud of the collaborative efforts put forth by the hardworking and dedicated Fire Department members. The members are continually prepared to bravely face new and sometimes unexpected challenges and it shows in the professionalism and knowledge they exhibit when attending an event.

Please extend District of Taylor's sincere gratitude and thanks to the members of the Charlie Lake Fire Department.
