

PEACE RIVER REGIONAL DISTRICT

Declaration of Official Petition Process Results

Charlie Lake Fire Department Expansion

Charlie Lake Fire Department Expansion		
	Total number of eligible properties: 1859	
	Number of properties In favour	Percentage of properties In favour
First medical responder	392	21 %
Road rescue services	372	20%

Section 337 (3) of the *Local Government Act* states that in order for a petition to be certified as sufficient, it must be signed by the owners of at least 50% of the parcels that in total represent 50% of the net taxable value of all land and improvements within the service area, and Section 212 (4-6) of the *Community Charter* state that the corporate officer must determine the validity and sufficiency of a petition to the Board, and certify this determination.

As there were less than 50% of the property owners in favour of expansion of the Charlie Lake Fire Department to include either first medical responder services or road rescue services, I, Tyra Henderson, Corporate Officer, deem the petitions insufficient.

Dated at Dawson Creek, BC

This 21st day of December, 2020.
