To: Chair and Directors

Report Number: ADM-BRD-126

From: Tyra Henderson, Corporate Officer

Date: January 28, 2021

**Subject: Sharing of Materials with North Peace Rural Roads Task Force**

---

## **RECOMMENDATION: [Corporate Unweighted]**

That the Regional Board approve the transfer of materials and documents generated through the lifetime of the Peace River Regional District North Peace Rural Roads initiative to any future iteration of the North Peace Rural Roads Committee or Task Force, once established by a Peace River Regional District member municipality.

## **BACKGROUND/RATIONALE:**

At the January 14, 2021 Regional Board meeting, consultants presented the final report representing the conclusion of the Peace River Regional District Rural Roads in the North Peace Project. The PRRD has materials and collateral collected over the duration of the project including videos, reports prepared for meetings with Ministry of Transportation and Infrastructure representatives, photos, road status reports, etc. The District of Taylor is seeking to administer a reconstituted project to be known as the North Peace Rural Roads Task Force, and to award a contract for its execution. Access to the PRRD's materials and collateral would be helpful when the reconstituted project begins its work.

The PRRD will retain a copy of the materials as well, for future reference.

## **ALTERNATIVE OPTIONS:**

1. That the Regional Board provide further direction.

## **STRATEGIC PLAN RELEVANCE:**

- ☒ Partnerships
- ☒ Collaboration with Local and First Nations governments
