Tod Davidson, Manager, IFR Level of Service and Aeronautical Studies

Dear Ms. McGonigal, Mr. Bagg, Mr. Stockall and Mr. Davidson:

The Corporation of the Village of McBride would like to express our shared concern and provide support to our associated members, including the City of Dawson Creek, City of Fort St. John, City of Prince George and Northern Rockies Regional Municipality, regarding the recent Aeronautical Study process at the:

- Dawson Creek Regional Airport (YDQ),
- Northern Rockies Regional Airport (YYE),
- North Peace Regional Airport (YXJ), and
- Prince George Airport (YXS).

Any reductions in NAV Canada air traffic control services or workforce adjustments at some airports would negatively impact the safety, social, health, environmental and economic well-being of member communities throughout the region.

Thank you for your attention on this matter. Please do not hesitate to reach out for further discussion.

Sincerely,

Sandy Salt  
Interim Chief Administrative Officer, Village of McBride
