4. Description of project, event or service:

The Bear Mountain Nordic Ski Association is seeking funding to implement the next phase of a multi-phase trail upgrade and development plan for the Bear Mountain Nordic Ski trails near Dawson Creek. The primary objective of the project is to improve drainage and watershed conditions by side cutting and sloping along existing trail surfaces, removing damaged and dangerous trees, and installing up to 30 new culverts and replacing 15 existing culverts that are deteriorating or are too small for current water volumes. The project will also involve necessary contouring, grading and ditching in order to clear up the trails. In the first phase of the project, the locations causing the largest issues with drainage and water-flow were addressed. This phase of the work will involve conducting the same work as previously undertaken on specified locations to ensure that drainage is improved and the treated trails are upgraded. Increased usability and public safety is our objective.

5. Project Start Date: April 1, 2020	Proje	ct End Dat	e: August 1	5, 2020				
6. Is this project, event or service part of your cor	re operatio	ns?	∠ Yes	☐ No				
7. Is the project, event, or service already provide community by another organization?	ed in the	[Yes	☑ No				
If yes, provide details:								
8. Who will benefit from the project, event or ser	vice?							
All residents of the regional district benefit from upgrades to the nordic ski facility. The trails are available to everyone for a low-cost, day-use fee or a yearly membership. Although located close to Dawson Creek, the facility attracts visitors from across the region who enjoy well-maintained multi-sport trails in a pristine natural setting. The facility is in use year round for all-season recreational sports.								
9. What will those benefits be?								
for years to come. Providing a high quality trail system healthy, affordable, family-friendly recreation on procommunities in British Columbia. Recreational factories in the system of the communities in British Columbia. Recreational factories in the community of the community	The trail upgrades that are planned will ensure that the trails remain viable and safe for public users for years to come. Providing a high quality trail system for all season use allows residents to enjoy healthy, affordable, family-friendly recreation on par with what they would be able to access in other communities in British Columbia. Recreational facilities contribute to the health and wellbeing of residents, as well as improving overall quality of life and retention of residents in the area.							
Budget Information								
10. Total Cost of the Project, Event or Serviœ:			\$ 87,50	00

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.dc@prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

Applicant Signature Jillian Squares, President, Bear Mountain Nordic 5

Continued from Question 9:

The trail upgrades that are planned will ensure that the trails remain viable and safe for public users for years to come. Providing a high quality trail system for all season use allows residents to enjoy healthy, affordable, family-friendly recreation on par with what they would be able to access in other communities in British Columbia. Recreational facilities contribute to the health and wellbeing of residents, as well as improving overall quality of life and retention of residents in the area. Improvements to the facility help the club expand local interest in trail sports (cross country skiing, snowshoeing, hiking, mountain biking, etc), which in turn results in increased revenues for local businesses that carry gear and provide related services. The facility also attracts tourism to the area, which will increase as improvements are made to the facility, providing valuable revenues to the service sector businesses in Dawson Creek and Chetwynd. The eventual goal is to develop a competition-class facility that would be able to host regional and provincial sporting events, bringing greater awareness of, and economic benefits to, the regional district. The facility is also utilized by community groups throughout the regional district such as the local Scouts troop and school groups from throughout School District 59, providing unique opportunities for skiing as well as outdoor education, orienteering, and recreational sports in all seasons.

The Bear Mountain Nordic Ski Association is seeking funding to implement the next phase of a multi- phase trail upgrade and development plan for the Bear Mountain Nordic ski trails near Dawson Creek. The primary objective of the project is to improve drainage and watershed conditions by side cutting and sloping along existing trail surfaces, removing damaged and dangerous trees and installing up to 30 new culverts and to replace 15 existing culverts that are deteriorating or are too small for current water volumes. The project will also involve necessary contouring, grading and ditching in order to clear up the trails. In the first phase of the project, the locations causing the largest issues with drainage and water-flow were addressed. This phase of the work will involve conducting the same work as previously undertaken on specified locations to ensure that drainage is improved and the treated trails are upgraded. Increased usability and public safety is our objective.

REGIONAL GRANT-IN-AID APPLICATION

Date: December		Society #: 10776 1694 RR0028						
Organization Information	on							
1. Organization Name:	1st Dawson Cı	1st Dawson Creek Scouts						
Civic Address:	716 97A Ave							
Mailing Address: (if different)								
City:	Dawson Creek		_ Postal Code:	V1G1R3				
Contact Person:	Krystal Reid	F	Phone Number:	250-784-4494				
Email:	dawsoncreeks	couts@gmail.com						
Project/Initiative Infor	mation							
Projects and initiatives	submitted for gr	ant-in-aid consideration mus	st have a regiona	l focus and serve or				
benefit residents throu	ghout the regior	nal district or in multiple elec	toral areas and n	nunicipalities.				
2. Indicate which categ	gory is this proje	ct, event or service?						
Arts/Cultur	re	Projects that enhance the pro services and amenities	Projects that enhance the provision and availability of arts and culture services and amenities					
Economic I	Development	Projects related to creating o	or enhancing econo	omic opportunities				
Environme	ntal	Projects that enhance, protec	ct, or restore envir	onmental values				
Heritage		Projects that protect and inte	erpret the region's	heritage values				
Social		Projects that support the hea and communities	alth, well-being and	d diversity of individuals				
✓ Sport/Recre	eation	Projects related to the provisition tournaments or events	ion of sports or re	creation activities,				
Other (Des	scribe)							
3. Identify which elected	oral areas and m	unicipalities this project, ev	ent or service w	ill provide benefit to?				
☐ Electoral Area B ☐ Electoral Area C ☐ Electoral Area D ☐		City of Dawson Creek City of Fort St. John District of Chetwynd District of Hudson's Hope	☐ District o☐ District o	-				
4. Description of project	ct, event or servi	ce:						

4. Description of project, event or service:

Each year, the 1st Dawson Creek Scouts offers a year-end camp at Samp Sagitawa located on Moberly Lake. This camp is open to all age categories provides an opportunity for unique recreational opportunities that are not otherwise available (ziplining, paddling, outdoor climbing facilities, archery). We are seeking funding which will be used to directly reduce costs currently endured by participating families to attend this opportunity. Any funding acquired will be used to lessen (and ideally, eliminate entirely) camp fees that we currently charge to participants, reducing barriers to participation in this recreational and outdoor education opportunity.

5. Project Start Date: June 12, 2020	Proje	ect End Date:	June 14,	2020			
6. Is this project, event or service part of your cor	e operatio	ns?	Yes		No		
7. Is the project, event, or service already provide community by another organization?	d in the		Yes	✓	No		
If yes, provide details:							
8. Who will benefit from the project, event or ser	vice?						
This event benefits our entire group, from our youngest members to our adult volunteers. In 2019, this camp was attended by 45 youth and 18 adult volunteers. Camp Sagitawa also benefits from having a large group booking generating revenue during an under-utilized month, and Chetwynd benefits from additional revenues from families travelling through on the way to camp and purchasing food items and fuel.							
9. What will those benefits be?							
 -Unique recreational opportunities not otherwise available to us (paddling, archery, outdoor climbing facilities) -An opportunity to attend a facility that many of our members would not otherwise have financial access to -Opportunities for personal growth and development of youth through programming offered during this camp opportunity 							
Budget Information							
10. Total Cost of the Project, Event or Service:			\$ 7105			X 3 = \$.	21 215
11. Grant-in-Aid Amount Requested:			\$ 4000			X 3 = \$,
12. For how many years are you requesting fundi	ng?) 1	\bigcirc	2	<u> </u>	,
13. Will you receive other sources of funding?				V	Yes	□No	
14. Have you applied to other sources, including municipalities for funding?							
15. Please describe other sources of funding and amounts as anticipated or received:							
Amount: <u>\$500</u>	Source:	<u>Fundraising</u>	(Popcorn	sales,	<u>apple</u>	_	
Amount: <u>\$500</u>	Source:	Future fund	raising (bot	ttle_dr	ives,	=	
Amount: <u>\$500</u>	Source:	Jail 'n Bail F	undraising	Ever	<u>nt</u>	_	
Amount: \$1000	Source:	Walmart Gra	ant (pendir	ng)		_	

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.dc@prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

Continued from Question#9

- -Unique recreational opportunities not otherwise available to us (paddling, archery, outdoor climbing facilities)
- -An opportunity to attend a facility that many of our members would not otherwise have financial access to
- -Opportunities for personal growth and development of youth through programming offered during this camp opportunity
- -Provision of important safety lessons offered in a real-life, hands-on setting (i.e. personal safety around cold water; protective equipment for climbing)
- -Instilling a lifelong love for outdoor recreation and active lifestyles for local area youth
- -A chance to experience some of the outdoor beauty our region has to offer!

4. Description of project, event or service:

The Dawson Creek Triathlon is an annual, one-day event offered to athletes of all abilities. This growing event highlights some of the area's facilities and attractions including the Ken Borek Aquatic Centre and Dawson Trail. The 2019 event had a total of 100 registered participants from across the Northeast region including Cecil Lake, Dawson Creek, Fort St. John, as well as areas as in Southern B.C. and Alberta. The event features several categories to participate in, from the Kids of Steel event starting at age 4-15 to adult individual and team events of various lengths and levels of intensity.

5. Project Start Date: July 12, 2020	Proje	ct End Date:	July 12, 2	.020			
6. Is this project, event or service part of your core	e operatio	ns?	Yes	□ No			
7. Is the project, event, or service already provide community by another organization?	d in the] Yes	☑ No			
If yes, provide details:							
8. Who will benefit from the project, event or serv	/ice?						
This event offers a healthy, fun, family-friendly opportunity for participants. Children as young as four years old can participate, and there are a variety of options for participants to choose their activity type and level of intensity. Participants benefit from training for and participating in a community event that promotes an active lifestyle. Area businesses benefit from increased tourism revenues from out-of-town participants; as well, local vendors are used for event supplies. This includes but is not limited to an increase in revenues for the Dawson Creek and District Regional Airport, local shops, hotels and restaurants, traffic control companies, and grocery stores.							
9. What will those benefits be?							
Businesses that serve the tourism / hospitality industry: Increased revenues related to hotel stays, food and beverage purchases, increased exposure from promotion of the event. Ken Borek Aquatic Centre: Revenues from increased use, rental of facility and lockers, increased usership from participants training for the event, increased community interest resulting from the promotion of this event. Participants: Networking and social capital generated from participating in a community event; health benefits incurred while training for the event

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.dc@prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

Dolly Parton's Imagination Library is a community-based program providing children with free home delivered books from birth until they turn 5. Started by musician and author Dolly Parton in the USA in 1996, more than 80 million books have been distributed in from counties, including 68,000 books across Canada. Dolly Parton's Imagination Library helps Canadian children develop literacy skills allowing them to gain the skills they need to start school ready-to-read. It encourages strengthening family bonds through reading in the home between parents, care givers, grandparents, siblings and the child. Positive behaviour change has been reported since the program began and they have observed that:

3. Identify which electoral areas and municipalities this project, event or service will provide benefit to?

☐ City of Dawson Creek

☑ City of Fort St. John

☐ District of Chetwynd

District of Hudson's Hope

☑ District of Taylor

☐ District of Tumbler Ridge

☐ Village of Pouce Coupe

- ? Children are twice as likely to ask to have a book read to them. Increase reported from 40% to 77%
- ? Parents are twice as likely to talk about shared reading with other parents. Increases reported from 40% to 80%
- ? Parents report a 16% increase in daily reading with children.

All of these program are free to the community **Program Descriptions:**

Dolly Parton Imagination Library

5. Started by musician and author Dolly Parton in the USA in 1996, more than 80 million books have been distributed in from counties, including Dolly Parton's Imagination Library is a community-based program providing children with free home delivered books from birth until they turn they need to start school ready-to-read. It encourages strengthening family bonds through reading in the home between parents, care givers, 68,000 books across Canada. Dolly Parton's Imagination Library helps Canadian children develop literacy skills allowing them to gain the skills grandparents, siblings and the child.

As a regional affiliate, we are responsible for program awareness and publication, funding all program costs for all of the children enrolled in our area, and administering the enrolment and any non-deliverable/returned books.

Financial Literacy (Included in our Life Skills Literacy Program)

This program provides a set of skill and knowledge that allows an indicidual to make informed and effective decision with all of their financial resources. These face to face session prodive direct eductiaon to various demobgraphic gorups including: adults, parents, seniors, new Canadians, and students.

One on One Tutoring (Youth)

English and numeracy). Each learner establishes their own learning objectives, and a learning plan is created with the help of our Program This program provides face to face tutoring session to indivnduals 18 and under who need extra help with their subject of choice (mostly Coordinator and tutors.

After School Home Work Help Program

This program allows school aged students to get help with their assigned home work with the help from a peer tutor and program facilitator. We provide two 1.5 hour sessions per week while school is in sesison.

Nutritional Literacy (Included in our Life Skills Literacy Program)

designed for adults and youth to build and strengthen numeracy sills, financial understandings, and real world math problems, while promoting With improved knowledge and math skills, people can learn to budget in a way that allows health eating at an affordable price. This program is Feeding your brain healthy nutrient rich food is the first step to learning. Many people believe it is cheaper to eat fast nutrient deficient foods than to eat healthy meals. Poor nutrition contributes to learning struggles. Groceries are becoming increasingly more expensive for everyone. healthy eating habits.

Should we not acquire full program funding, we will have to scale back on the number of sessions offered per year, and cap the numer of children enrolled in the book program until additional funding is confimred

This project will host basic climate information sessions series to complement a series of public climate conversations on locally relevant topics like energy, agriculture, economic development, and education, in order to gauge local interest and feelings on climate change, as well as, explore the opportunities that a changing climate presents for the region in the long and short term. The series will host three sessions on each topic, one in the north, one in the south, and one in the east/west to ensure that residents have the opportunity to attend. If possible, we will make the sessions available online to increase accessibility.

As a local non-profit organization, NEAT will capitalize on our long history in the Peace Region and our commitment to political neutrality to explore climate issues in an organic way that endeavours to gather multiple perspectives and provide a safe space for education and conversation. We are looking to answer two questions: 1) What do residents of the Peace think of climate change? and 2) What are the local opportunities

5. Project Start Date: March 1, 2020	Project End I	Date: Sept 30,	2020	
6. Is this project, event or service part of your cor	e operations?	Yes	☑ No	
7. Is the project, event, or service already provide community by another organization?	ed in the	Yes	☑ No

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.dc@prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

4. Descrip	ruon of projec	it, event or serv	rice:				

The SuperPark's weekly programs and seasonal camps are all inclusive and provide a full day of physical activity within our indoor and outdoor play space, arts and crafts that are geared towards learning about social inclusion amongst their peers, nature, recycling and how to be creative using materials given to them to make their own projects. During our camp season, we travel within our community to learn about what various organizations do to help the region ie: Water station, police/fire/ambulance dept., local greenhouses, museum etc.

Our programs embrace children of all abilities, culture and economic standing. We always provide free spaces within all camps and programs or free play all year for children that are referred to us through the Women's Resource Centre, Child Youth Mental Health and the Child Development Center. We currently spansor 8 families for free yearly play.

4. Description of project, event or service:

Strengthening Pride in the Communities is a project that will raise awareness of heritage in each of the communities in the PRRD-FSJ/DC/Taylor/Chet/TR and HH. FN is also included. The project has each museum collaborating with local businesses to share the history of the community with customers, to increase attendance at each museum aimed at building pride in the community. Each museum will seek out partners in businesses (stores) who will encourage their staff to learn and relate historic information to customers and suggest they visit the museum, post the store history along with current events of the museum in the store, work with the museum to document the store history for the museum archives. Each participating business will pay \$200 toward promotions and printing. The target is 5 businesses per community. The Museum will research and assist in the historic data about the store, facilitate staff learning about the history and about the museum, share the store history with visitors to the museum, post the participating store history on their websites, provide posters of current events, conduct radio interviews and other promotional avenues available throughout the region.

5. Project Start Date: Fbruary 1, 2020	Projec	t End Da	te: <u>Se</u> p	tembe	er 30. 2020

To PRRD: Both 2019 and previous 2018 Financial Statements have been included here since this organization in currently functioning on project grants only. We have no ongoing operational support. Therefore, the 2018 is more reflective of our ability to carry out a large project than the 2019 bottom line.

Thank you, Sue Popesku 250-785-6214

To Whom It May Concern:

We are pleased to share with you our partnership with members of our community in the development of a community orchard in Taylor, B.C. In making this a reality we will be contributing a piece of land adjacent to the Peace Community Church building for growth of this orchard. It is our desire to create an opportunity for residents to gain access to fresh fruit provided by trees which are hardy enough for our northern climate and learning about a variety of fruit tree species. Peace Community Church will provide the labour to develop and create this space and the labour to maintain the grounds along with our other property.

It is also not simply a plan to provide an orchard which residents, and travelers, can access but to design it to be a gathering place with the trees providing shade in the heat of spring, summer, and early fall, include a gazebo large enough for small groups to use for music or presentation, and a path making this a pleasant space to spend time. Further, the plan is to include picnic tables and benches in various locations on this property.

The general purpose for this plan is to develop the opportunity for members of our town to gain fresh produce and to develop a space that is restful, open for gatherings and presentations of various styles, and simply be a destination for residents and visitors to walk in and enjoy.

With Regard
Reverend Walter Pohlmann

Peace River Regional District PO Box 810 Dawson Creek, BC V1G 4H8

Dear Board of Directors,

Re: Community Demonstration Garden and Orchard Project

At the Regular Council Meeting held on December 2, 2019, Ms. Morrison and Ms. Kirschner appeared as Guests and Delegates seeking the Mayor and Council's support for a proposed Community Demonstration Garden and Orchard Project in the District of Taylor.

The goals of this project are to promote community physical and mental health, community connection, and food security. The District of Taylor Mayor and Council support this project and agree that a Community Demonstration Garden and Orchard would be a welcome addition to the Taylor community.

Sincerely,

Andrew Young, MCIP, RPP

Chief Administrative Officer

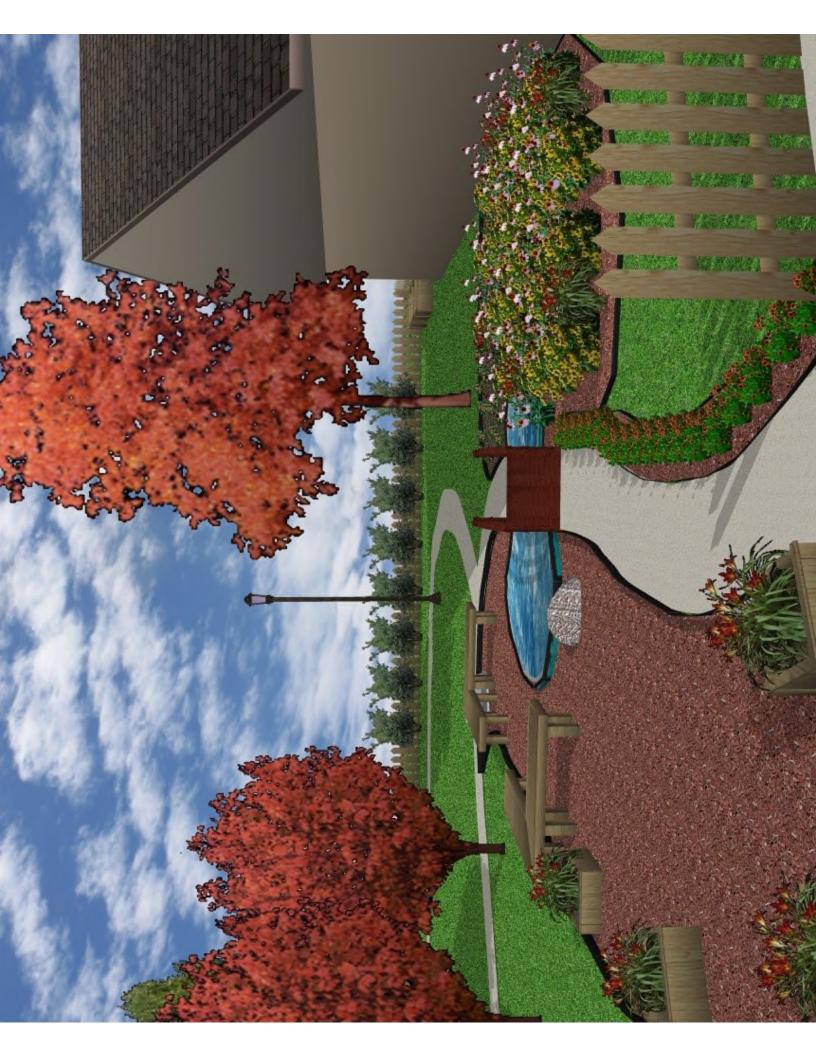

Please see the attached project description.

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

Applicant Signature

Marsha C. Stewart

Description of project, event or service:

For over 70 years, the Dawson Creek Art Gallery's education programs have engaged students of all ages, backgrounds and abilities in the visual arts. Our educational programming supports the wellbeing of our community and is intended to educate, engage and encourage people of all ages to become lifelong learners, volunteers, contributors and benefactors to our great community. The Gallery has a long history of working cooperatively with local organizations such as the Peace Liard Regional Arts Council, South Peace Art's Council, Nawican Friendship Centre, the Kiwanis Performing Arts Centre and the City of Dawson Creek. These partnerships (and in-kind contributions/support) enable the Gallery to offer programs such as the Northern Arts - Community Development Program (NACDP)

Program Deliverables:

This project will consist of six or more half-day workshops in communities throughout the Peace Region, including (but not limited to) Chetwynd, Tumbler Ridge, Fort St John, Fort Nelson, Moberly Lake, and Dawson Creek. The program will also organize and facilitate critiquing sessions for peers to review each others current work and provide constructive criticism to each other.

Local artists (many of whom are indigenous) will be invited to be guest instructors in the program, and will be paid a CARFAC fee. This will not only provide a valuable learning opportunity to the community, but also teaching experience that the artist can add to their CV.

Each workshop will consist of a three hour guided lesson, followed by a one-hour critique/reading session. Wherein participants will be asked to bring a completed artwork that will be read or critiqued by the rest of the group. Constructive critique is one of the most important ways artists can support one another. In this section of the workshop, participants will learn how their work is perceived, and give constructive feedback to their peers.

The curriculum will vary depending on feedback received from the community prior to the workshop date, ensuring that each lesson will be tailored to the needs of the community. However, each lesson will focus on core artistic skills, such as drawing, painting, photography, print making as well as traditional art forms such as beading. The project will end with a juried show of selected works that were created through the program.

Intended outcome:

This project is a holistic way of supporting local artists through education, and professional development and experience. It will offer a needed amenity to northern communities, and connect local artists, laying the foundation for a region-wide artist community, that artists in the north can rely on for support through the distribution of resources, and the sharing of skills and knowledge.

It will have a lasting impact on communities in northern communities, as it will provide art education at a level that is not currently available in the region, as well as valuable teaching experience for guest instructors. These workshops will be used to distribute information, and function as an important networking opportunity; creating an artist community that will exist beyond the duration of the program, and lead to a more robust artistic, and cultural identity in the north.

Application Authorization

- I confirm that the information in this application is accurate and complete and that the project proposal, including plans and budgets, is fairly presented.
- I understand that if my application is successful, I will be required to provide a summary report that includes annual financial statements, a description of how funds were spent, and the outcomes achieved to the Regional District by **February 28** of the following year the grant funds were received.
- I understand that the information provided in this application may be accessible under the Freedom of Information (FOI) Act.
- I understand that the information provided in this application may be shared with the Board of Directors, Committee(s), Regional District staff and consultants.

Application Submission

Please submit all grant applications and attachments by email to prrd.bc.ca on or before December 31. The following attachments must be included with your application:

- Project budget, including all sources of funding
- Current financial statements showing expenses, revenues & savings

Applicant Signature Deanna Larson

4. Description of project, event, or service:

The Special Olympics mission is to enrich the lives of individuals with intellectual disabilities by providing quality sport training and competition opportunities. We foster inclusive communities. We honour what is unique with each individual. We empower individuals by creating opportunities to pursue their full potential through the elevation of standards and performance.

Although Dawson Creek is one of the longest running locals in BC, only 5 years ago, we were a dwindling and mismanaged community program that only offered two sports: 5-pin bowling, and speed skating. With a lot of hard work from our volunteers, we now offer 9 sport programs! 5-pin bowling, 10-pin bowling, alpine skiing, bocce, curling, power lifting, snowshoeing, speed skating, and club fit. And we are always looking to expand our programs further. In the near future, we would love to add swimming and track & field to our repertoire to expand our summer program offerings, create a truly year-round sport program, and attract new athletes to our programs. Each sport practices a minimum of once per week and consists of warm-up, stretching, general skill development, sport specific skill development, fitness, free-play, and warm-down. Each sport has a head coach with a number of assistant coaches and program volunteers. The coach to athlete ratio varies between sports and whether it is a training session or a competition. These ratios help to ensure athlete safety and individualized training.

Our continued success is reliant 100% on community funding and grant applications. Our Dawson Creek local is 100% run by volunteers (coaches and admin) who dedicate countless hours to the preservation and excellence of our programs. We are truly a local non-profit with all funds raised going directly to programs as we have no overhead or administrative costs. That being said, with our commitment to providing competition opportunities in all of the 8 sports we offer, and being that we live in a northern community, the costs for providing those opportunities to our athletes are very high. We charge a nominal fee to our athletes each year (\$35) to assist with the funding of our programs, and all sports are free to the athletes (with the exception of bowling which has a \$5/session fee that is paid directly to the bowling alley). Our local is responsible for the purchasing of all training and safety equipment for our athletes, facility rental costs, all uniforms and competition gear, all travel costs, hotels and meals. Furthermore, we are dedicated to both athlete and coach training. We require that all of our coaches are NCCP certified within their first year of volunteering to ensure that they are mentoring and developing our athletes. Special Olympics BC also offers sport-specific training camps to hone the skills of our coaches. We are certain that this training spills over into their daily lives in our community.

9. What will those benefits be?

Athlete benefits include: health benefits, strength & balance improvement, life longevity, foster friendships / meaningful relationships, provides structure, participation in sport fosters healthy competition amongst peers & other athletes, opportunity to travel to other places, sporting experience teaches teamwork, tolerance, raises self-esteem / self-image, and the skills and nutrition learned through sport are carried over into daily life.

Coach & volunteer benefits include: personal development of coaching skills, community involvement, being a part of the Special Olympics transition from an organization to a movement, coach certification (will enhance athlete development), enriched quality of life, health benefits of participating in sport.

4. Description of project, event or service:

The 15th annual Spirit of the Peace Pow Wow will take place on June 12th to 14th, 2020 at the Taylor arena in the District of Taylor, BC. This culturally significant event has now become a very symbolic event for dancers, guests and elders. For example, in June of 2019, the Spirit of the Peace Pow Wow's jingle dancers gathered to dance for the families of the missing and murdered Indigenous women and girls in the region and across Canada. It followed the national inquiry that examined causes of violence against women and girls. The dance in 2019 was a 'healing dance' a moving tribute to many Indigenous families. For the upcoming 2020 event, the Pow Wow's dancers will increase from 400 to 500 dancers plus the continue awareness of healing for women and girls. Therefore this grant application is applicable to - 1) showcasing cultural awareness, 2) supporting heritage and Indigenous values, 3) understanding social aspects that include diversity of individuals and communities as well as 4) encouraging and fostering sport and recreational projects and events that help bring economic growth as well as tourism. The Pow Wow is in need of operational funds for promotion/advertising, honorariums for dancers, sound system, insurance and many event requirements. In 2020, more dance categories will be added that will see an increase in dancers as well as a need for more operational requirements.

5. Project Start Date: June 12, 2020	Proje	ect End Date:	June 14, 2	2020	
6. Is this project, event or service part of your core	e operatio	ns?	Yes	□ No

Description of project, event or service:

STARS is a not-for-profit registered charitable organization dedicated to saving lives. STARS operates 6 bases across 3 Provinces in western Canada (AB/SK/MB), and serves 4 provinces which includes northeastern and southeastern British Columbia. Municipalities recognize STARS as an emergency protective services asset for their residents through the Municipal Initiative Program. This program represents the united municipal effort to provide annual sustainability of STARS life-saving mission for their residents and their municipal neighbors.

5. Project Start Date: December 1st, 2006 Proj	ect End Date: N/A

REGIONAL GRANT-IN-AID POLICY

Department	Finance	Policy No.	0340_70_33
Section	Grants	Date Approved by Board	September 5, 2019
Repeals		Board Resolution #	RD/19/09/22

Amended	Board Resolution #	
Amended	Board Resolution #	
Amended	Board Resolution #	

Repealed		Board Resolution #	
----------	--	--------------------	--

1. Purpose

1.1 The Regional Grant-in-aid Policy establishes clear guidelines for the Board of Directors and staff for the evaluation, award and communication of Regional Grants-in-Aid to organizations seeking financial support for community led projects and programs that fall outside the regular service functions that are important for building a diverse, vast and abundant region.

2. Scope

- 2.1 This Statement of Policy applies to the Board of Directors, all staff and all organizations that apply for grant-in-aid from the Peace River Regional District.
- 2.2 This Statement of Policy applies to all regionally funded grant-in-aid (Grants to Community Organizations, Economic Development and Regional Recreation), excluding those grants with stand-alone policies, which are:
 - Search and Rescue Grants
 - Recreational Trails Grants
- 2.3 This Statement of Policy does not apply to funding contribution requests received from other local governments (ie: government to government); or Rural Grant-in-Aid under the authority of the Rural Budgets Administration Committee.

3. Definitions

- 3.1 **Program:** An activity designed for a specific purpose which is led by a community organizations and improves the quality of life for residents.
- 3.2 **Service:** An initiative that serves a specific purpose is led by a community organization and provides a benefit to residents in the community.
- 3.3 **Project:** An undertaking that is planned to achieve a particular outcome or result; must have a specific set of goals and objectives; must have a defined start and finish date.
- 3.4 **Event:** An event that is either social, economic or recreational in nature; enhances the region and creates an economic benefit; may occur on a one-time or annual basis; must have a defined start and finish date.

4. Policy

- 4.1 Grants should support projects or initiatives that are regional in scope and serve or benefit residents throughout the regional district or in multiple electoral areas and municipalities.
- 4.2 The issuance of grants should be transparent in terms of awareness of, and access to the program.
- 4.3 Grants should support and encourage innovation in the delivery of services or benefits.
- 4.4 Grants should allow the Board to be flexible and responsive to emerging needs or unique opportunities
- 4.5 Grant funding may be authorized to support multi-year contributions up to a maximum of three consecutive years.
- 4.6 Grant contributions to support operational funding for more than three consecutive years and in excess or \$50,000 per year will be evaluated by the Board of Directors to determine whether a service function should be established.
- 4.7 Applicants should demonstrate their intent to become self-sustainable, in the absence of PRRD grants, in future years.
- 4.8 Recipients of grants must be accountable for the use of funds in accordance with their application.

4.10 Eligibility Criteria:

- All applicants must be a registered, not-for-profit society in good standing as per the Societies Act.
- Project types may include events (one time or recurring), the establishment of new or enhanced programs and services, or capital projects for public-use facilities.
- Grant funding, if approved, may not be used to support individuals, families or businesses.
- The organization will not receive taxes or requisition funds from local governments on an annual basis.

4.11 Application Criteria:

- All applications must be submitted on electronic forms.
- Applications must be received on or before December 31st each year.
- Late applications will not be considered.

4.12 Approval Criteria:

- The Committee of the Whole (CoW) will review all grant applications for merit using the following criteria:
 - a. New, Incremental Initiatives;
 - b. Community Need;
 - c. Geographic Scope;
 - d. Community Development; and
 - e. Cost Effectiveness.

5. Responsibilities

Boards of Directors shall:

1. At their sole discretion, evaluate and allocate Regional grant in aid funding during the annual budget process.

Finance shall:

- 1. Review applications to determine eligibility based on the criteria outlined in this policy.
- 2. Bring eligible applications to the Committee of the Whole for consideration during the annual budget process.
- 3. Ensure an annual listing of all grant recipients is posted on the PRRD website by August 31 to be available for public review.
