Dear Jill Rickert and PRRD Administrators;

Last summer, and largely through your help we were able to complete our Band Shell Project. We leveraged a Community Halls and Recreation Facilities grant from Northern Development Initiative Trust. While the NDIT gave a large portion of the capital required to make this happen, we wanted to take the time to recognize the many ways that PRRD's influence helped as well.

- PRRD provided us with the resource and help of the PRRD Grant Writer, Chris Hawkins – Thank-you, Chris.
- PRRD provided us with a resolution of support.
- PRRD provided us with a grant to fund the other 30% of the project = \$8300

The Band Shell Project was completed during the month of October, 2019.

We have secured the funding from NDIT and PRRD, and we are very satisfied with the work done.

We will place a small sign on the pillar to the right of the steps giving recognition to Northern Development Initiative Trust and Peace River Regional District for your parts in this project.

I have attached a picture as well.

Thanks again for all that you do to help the community.

Respectfully,

Gary Pryzner  
Camp Director, Camp Sagitawa
