Attention: Board of Directors.

The Peace River Regional Cattlemen's Association would like to thank you for the funding provided to help run our Livestock Protection Program.

The program was started in 2013 and ran for approximately ten years. It was very successful in what it was designed to do – to help cover the cost incurred when Ranchers suffered multiple losses from predation by wolves.

The BC Cattlemen's Association now has a program through the BC Agriculture. It is somewhat inadequate, but in 2013 we had nothing. Once again, thank you and perhaps, we may need your assistance again in the future.

Sincerely,

Dave Harris

President

Peace River Regional Cattlemen's Association.
